

# Truman's Pupsicles

Give a chilly treat to your favorite dog any time of the year!

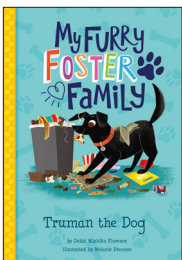

## WHAT YOU NEED:

ice cube tray, standard size  
water  
1/2 apple, diced  
1 carrot, diced  
help from an adult

## WHAT YOU DO:

1. Pour water into the ice cube tray compartments until they're about two-thirds full.
2. Add a few pieces of diced apple and carrots to each compartment.
3. Place the ice cube tray in the freezer until cubes are frozen.
4. Give to your favorite puppy friend.
